ORDER

AND NOW, this 23rd day of April, 2019, upon consideration of Plaintiff's Unopposed Motion for Attorneys' Fees and Costs, all authorities and exhibits filed in support thereof, any opposition or reply thereto, and all others pleadings and arguments before the Court, and for good cause shown:

IT IS HEREBY ORDERED THAT:

1. Plaintiff's Motion is GRANTED; and
2. The Court finds that the requested percentage of the common fund, as supported by the number of hours expended by counsel for Plaintiff and the Class in prosecuting this case and the hourly billing rates of the attorneys and other personnel who performed work on the case as well as the results achieved are fair and reasonable. Accordingly, and taking into account that additional work remains to be performed in connection with the motion seeking final approval of the Settlement Agreement, the Court awards Class Counsel attorneys' fees in the amount of \$1,350,000.00 and costs in the amount of \$74,897.73, and a Case Contribution Award of \$5,000 to Plaintiff, to be paid from the Gross Settlement Amount in accordance with the terms of the Settlement Agreement.

Dated: April 23, 2019

THE HONORABLE JANET T. NEFF
UNITED STATES DISTRICT JUDGE
